

KANSAS

M-TRAC Presentation

Tammy Wilson - KDOT
CIT Administrator

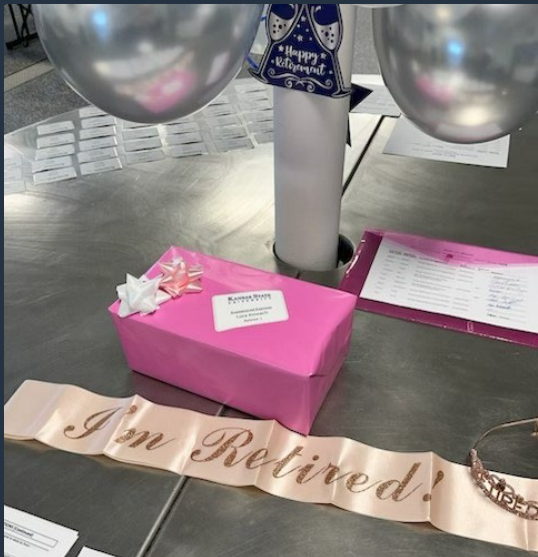

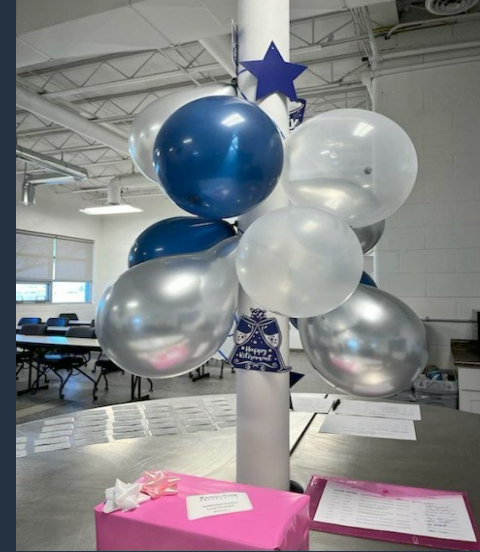

So, what's new Kansas?

- Me
 - Construction Stormwater in a new location
- Proctoring Policy for online, on demand exams (not completely new)
 - Provisional Certifications
 - Added testing options

Lora...

Lora is Retired

Livin' the good life

Construction Stormwater Training

Construction Stormwater Training

Proctoring Policy

- Required for all online, on demand exams (except Basic Math)
 - Proctor Exam must be completed and passed with 100%
- Can be an administrative person, a supervisor or their designee
- Must complete the Proctor Agreement at the beginning of each exam
 - Must be present for the entire exam
 - Must make sure no unauthorized materials are present
 - Can not help with the exam
 - No one can copy any part of the exam at any time.

What else is new?

PROVISIONAL CERTIFICATIONS

- Asked for by industry, since everyone is short of people
- Takes the place of our previous policy
- For new hires only
- July 1 to September 30
- Only for AGF, AGL, HCP, NUC and Superpave
- Online class and exam (only 2 chances to pass)
- IA witness from District Staff
- 1 year provisional certification
- Within that year, register for performance exam at K-State Salina
- Once performance is taken and passed the 5 year certification is given

And...

This year we added additional test options.

For written exams failed in class, there is now an online, on demand
retake option.

AGF Aggregate Field

AGL Aggregate Lab

HCP Hardened Concrete Properties

NUC Nuclear Gauge Operator

SOF Soils Field
