

Cheating

# Poll Everywhere

## Are you enjoying MTRAC 2024 in lovely Boone, Iowa?

I'm having the time of my life!

Meh. Pretty typical conference.

Somewhat interesting...but could be better.

ZZZZZZZ.....huh?.....ZZZZZZZ.

None of the above.

## Is cheating on certification/recertification examinations really that important an issue?

0

Yes, we take the integrity of our program very seriously. (A)

Yes, it is important to verify that our technicians have at least some of the knowledge they will need in the field (or where to find it). (B)

Nah, Federal Highway just requires some sort of exam. We don't worry much about cheating in our program. It's just a teaching tool anyway. (C)

Nobody.....literally nobody.....cares. (D)

Both A and B. (E)

# What Iowa has done

- Testing is only done in person and proctored.
- Using Test.com testing service, questions are randomized
- Test banks are reviewed, and questions/answers may be altered annually.

# Issues

- Students “sharing” scratch paper for calculations.
- Students writing down exam questions/answers after the exam.
- Students taking their worksheets with them after the exam.
