TRENDS

A scenic photograph of a sunset over a body of water. The sun is low on the horizon to the right, casting a bright orange glow across the sky and reflecting on the water. A wooden pier extends from the foreground into the water, with a ramp leading to it. The background shows a dark silhouette of a shoreline with trees.

NEW IN ND

A wide-angle photograph of a sunset over a calm body of water. A long, dark pier or dock extends from the foreground into the water, leading the eye towards the horizon. The sun is a bright, glowing orb on the right side of the horizon, casting a long, shimmering reflection on the water's surface. The sky is a gradient of soft colors, from pale blue on the left to warm orange and yellow near the sun. The water is still, reflecting the colors of the sky and the silhouette of the pier.
