  - Work Phone (785)291-3040

# Construction Stormwater

# Breaking Ground

Trevor is the man doing all the sweating!!  
Trevor is the CIT Lab Tech and we couldn't do it  
without him!!

Savings of.....

\$185.00 per person.

## How you ask?

- Not having to pay for a site location.
- KSU will maintain location.

The background features decorative curved lines in the corners. In the top-right corner, there is a thick, multi-layered arc transitioning from light blue to light green. In the bottom-left corner, there is a similar thick, multi-layered arc transitioning from light green to light blue. The central text is positioned between these two decorative elements.

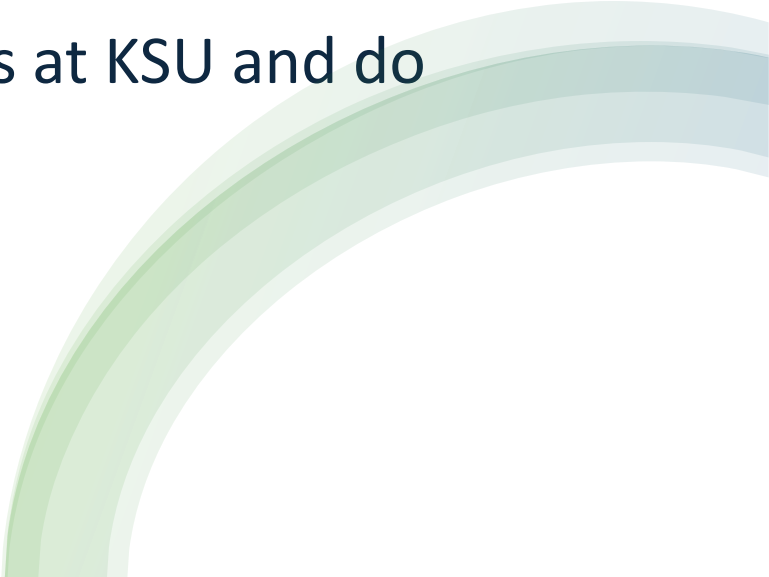

# Provisional Certifications

Starting July 1<sup>st</sup>  
through September  
30th

- Aggregate Field
- Aggregate Lab
- Nuclear Gauge
- Hardened Concrete Properties
- Superpave Field

## How do these work????

- New person or someone that never has been certified in that certification.
  - Takes the math test.
  - A person signs up takes the online class.
  - Take a written test.
  - Get witnessed by the District IA witnessing people.
  - Required to go to class at KSU and do performance testing.
- 

## How long certification good for????

- Provisional is good for 1 year from time written test is completed and passed.
- Once they are witnessed at KSU Salina, certification will be good for 5 years from the time they did the performance test.

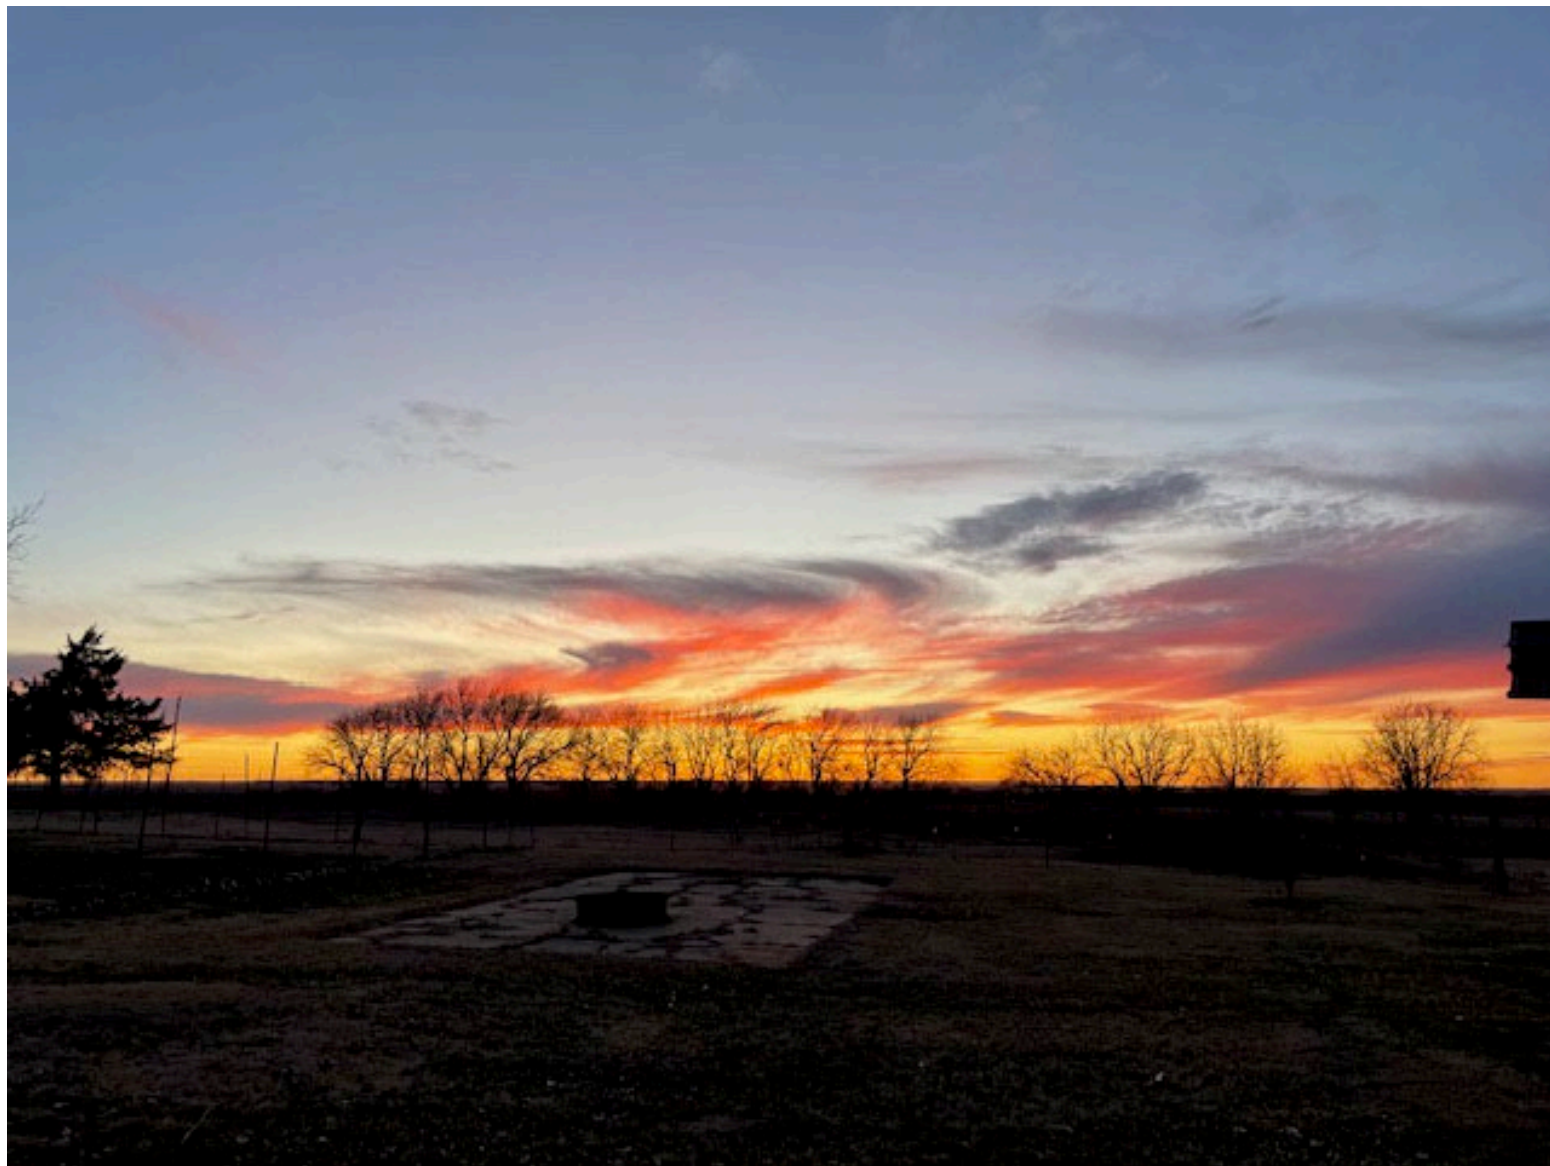

What's next for me????

The background features a light green gradient with stylized, layered wavy shapes in shades of blue and white on the left and bottom right corners.

Thanks everyone  
for the memories!
