ACI Certification

Concrete Strength
Testing Technician

Technician Workbook
Publication CP-19 (09)

American Concrete Institute®

**On-demand =
Learning
anytime,
anywhere.**

Now Available: Online, On-demand Certification Training Courses

- ❖ Individual users -- Anytime, anywhere.
- ❖ PDHs/CEUs w/ ACI “Acknowledgment of Training” doc.
- ❖ Prep for ACI Certification Exams (Written; and some for Performance).
- ❖ Ideal for re-cert’s.

Uses / Benefits: New Employees

- ❖ Evaluate their abilities and qualities before investing in their certification.
- ❖ Improves their training experience and if used properly with the lab or field experience, could prepare many to pass the exams without the classroom experience

DOT Recommendations

Florida DOT

- Tom Malerk, Director, Office of Materials
- Ken Cox, Materials Office Training Administrator
- Michael Bergin, State Structural Materials Engineer.

North Carolina DOT:

- Cecil Jones, State Materials Engineer
