August 26-27, 2009

Mn/DOT Technical Certification Unit
Michael Hogan

What's New at Mn/DOT?

- **Bituminous Street Recertification Pilot 2009-2010**
 - **Voluntary for those whose certs expire in 2010-2011. Mn/DOT only.**
 - **Will receive learning materials according to their preference.**
 - **Will report to Mn/DOT district to take exam on assigned date.**
 - **Pass - extends cert for 5 years.**
 - **Fail – still eligible to take class in 2010-2011 (no penalty for participation in pilot)**

In development with Mn/DOT Media Development Team

- **Online Bit Street Recertification Class**
 - **18 -24 month development**
 - **Test and score online at Mn/DOT location**
 - **Reports results to LMS**
 - **LMS changing soon**

Exploring New Media

- **Using NHI online courses**
- **build classes in Adobe Presenter**
- **Tutorials in Captivate.**
- **Offering Classes through Adobe Connect**
- **Flash Videos on Website**
- **Putting more printed material online. Reduce paper consumption.**
- **Making existing website 508 compliant.**
