Information about Registration for Spring 2016

Registration for Spring 2016 begins **October 27, 2015** for all graduate students.

- If you are a new or returning student to Purdue, The Engineering Professional Education (Pro Ed) web page section for “Registration”, provides step by step instructions; 
  
  https://engineering.purdue.edu/ProEd/register/how_to_register.

- The registration process confirms your intention to enroll for the Spring 2016 semester and is also used to set up an exam proctor.
- After you register, your PIN number to access the myPurdue registration system will be available at http://eng.purdue.edu/BannerPin.
- If your PIN number is not at this site, please send an email message megradoffice@purdue.edu

---

**NOTE to ME DEGREE SEEKING STUDENTS**

For the Spring 2016 term, the following courses may be taken for enrichment and development; **however you may not use it on your ME Graduate Plan of Study to be used toward your degree requirements.**

These courses are

- **BME 59500** Regulatory Issues Surrounding Approval of Biomedical Devices
- **IE 59000** Project Management

If you have questions, about this process, you may contact us at megrad@purdue.edu
