School of Mechanical Engineering

Fall 2017 Registration Guide
for
Distance Learning Students

Registration for Fall 2017 begins **March 20, 2017** for all graduate students.

- If you are a new or returning student to Purdue, The Engineering Professional Education (Pro Ed) web page section for “Registration”, provides step by step instructions; [https://engineering.purdue.edu/ProEd/register/how_to_register](https://engineering.purdue.edu/ProEd/register/how_to_register).

- The registration process confirms your intention to enroll for the Fall 2017 semester and is also used to set up an exam proctor.

- Log in to retrieve your PIN at: [http://eng.purdue.edu/BannerPin](http://eng.purdue.edu/BannerPin).
  *** If you don’t have a plan of study in process of approval, your PIN will not be available.***

- Register for ME 69100 (ME Graduate Seminars / CRN: 13280) if you have not already taken it. This course is a degree requirement and is only offered in the Fall semester.

**Candidate Registration:** If you will be completing the requirement for your degree and intend to graduate in December 2017, you need to register as a candidate by Sept. 20, 2017. To register, send an email to megradoffice@purdue.edu requesting candidate registration. Candidate deadlines and procedures can be found in the Fall 2017 Candidate Packet on the ME graduate website at: [https://engineering.purdue.edu/ME/Academics/Graduate/curgrad.html](https://engineering.purdue.edu/ME/Academics/Graduate/curgrad.html).

*It is expected that students are consulting with their major professor regarding course enrollment. If you are a new student, you are to consult with the temporary advisor that you were assigned during admission.*
