Advising Appointments Continuing

Advising appointments for the spring semester are continuing this month. If you have not already, please make sure you schedule an appointment! Find more information about registration appointments here: [https://engineering.purdue.edu/ME/Academics/Undergraduate/registrationInformation](https://engineering.purdue.edu/ME/Academics/Undergraduate/registrationInformation)

Time Tickets and Spring Registration

Time tickets for spring registration begin this month. You can check your time ticket under “Registration Status” in [MyPurdue](https://engineering.purdue.edu/ME/Academics/Undergraduate). It is crucial that you do not miss your time ticket as courses in ME fill up very quickly!
What Do I Do If....

Do any of these sound familiar? “A class I need is full!” “I have a requisite error!” “There is a time conflict between two of the classes I need!” No need to panic, your academic advisor is here! If you experience any troubles with registration once your time ticket opens, simply email your academic advisor your name, PUID, course, and error. Your advisor will get back to you with a solution. Have more questions about Registration? Visit the Registration FAQ page, [https://engineering.purdue.edu/ME/Academics/Undergraduate/FAQ.html](https://engineering.purdue.edu/ME/Academics/Undergraduate/FAQ.html)

Drop Deadlines

The absolute last day to drop a course for the fall semester is Tuesday, October 24. Otherwise it will be recorded on your transcript with a grade.

Academic Resources

Midterms are approaching. Don’t forget about all of the great academic resources available!

- Tutorial Rooms and Pi Tau Sigma tutors: [https://engineering.purdue.edu/ME/Academics/Undergraduate/Tutoring](https://engineering.purdue.edu/ME/Academics/Undergraduate/Tutoring)
- SI sessions for PHYS 241, ME 200, ECE 201, and several other courses: [http://www.purdue.edu/studentsuccess/academic/si/index.html](http://www.purdue.edu/studentsuccess/academic/si/index.html)
- The Academic Success Center (ASC): [http://www.purdue.edu/studentsuccess/academic/index.html](http://www.purdue.edu/studentsuccess/academic/index.html)
Don’t forget about the importance of your professors’ (and TA’s) office hours! This can be a great time to get questions answered from class or get help with homework assignments!

Personal Well Being

We know you have a lot going on; classes, homework, tests to study for, projects to finish, student organization responsibilities, friends, the list goes on and on. In all of the craziness, don’t forget about your personal wellbeing.

- Wellness Programs ([http://www.purdue.edu/recwell/programs/wellnessPrograms/index.php](http://www.purdue.edu/recwell/programs/wellnessPrograms/index.php)) offers everything from nutrition counseling to massage therapy, to classes and peer mentors.
- The Co-Rec has intramural sports, group classes, fitness equipment, and more. You can even check to see how busy it is before you go ([https://www.purdue.edu/drsfacilityusage](https://www.purdue.edu/drsfacilityusage))!
- If you find yourself under the weather or needing medical care, PUSH has services available right on campus ([http://www.purdue.edu/push](http://www.purdue.edu/push)).
- Should you experience stress, anxiety, or other mental health concerns, CAPS is available for students on campus ([https://www.purdue.edu/caps/](https://www.purdue.edu/caps/)).
