

Richard C. Chu Memorial Scholarship Announcement

The School of Mechanical Engineering awards Richard C. Chu Memorial Scholarship to graduate students pursuing advanced studies in the school, with a preference for students that completed an undergraduate degree from National Cheng Kung University in Taiwan. The scholarship is supported by the Richard C. Chu Memorial Fellowship Fund in Mechanical Engineering. Each recipient will receive a scholarship of \$4,000. Two recipients will be selected for the year 2023, but that can change in future years.

Eligibility:

Graduate students coming from Taiwan or completed an undergraduate degree from National Cheng Kung University in Taiwan.

Selection criteria:

1. Excellent academic achievement.
2. Excellent research performance.
3. Leadership within a research group or community, including mentoring of graduate and undergraduate students.

Application will consist of:

- A resume.
- Up to date transcripts.
- An essay from the student to describe how they meet the above selection criteria.
