Activities:

Emily Mauzy Vogel Sophomore Leadership Development Conference, September 2003

This conference was composed of 180 students, all of which were nominated to be a part of the conference. There were guest speakers, small group discussions, and opportunities to work our leadership skills on the ropes course at the camp where we stayed. It was a good experience to help find the leader within you.

Purdue Varsity Glee Club, August 2003 to May 2004

The Purdue Varsity Glee Club is a world renown all male ensemble of Purdue Musical Organizations performing an average of 100 shows a year.
