**PURDUE**  
UNIVERSITY  
**LIBRARIES**

# Purdue Libraries Locations

---

- No “main” campus library
- There are 7 libraries (as of Fall 2017) and 1 Archives on campus
- Color handout has a map of all library locations, room numbers and phone numbers
- Quick information on back - # computers, study rooms

**PURDUE**  
**UNIVERSITY**  
**LIBRARIES**

# Library of Engineering & Science

---

- Brand new – Fall 2017!
- Located inside the Wilmeth Active Learning Center (WALC)
- Consolidates the holdings and services of six formerly separate libraries
- Student-centered facility with a variety of resources, study areas, and versatile spaces open to all students on campus. The LOES includes the Data Visualization Experience Lab of Purdue (D-VELoP).
- Learn more: [www.lib.purdue.edu/libraries/engsci](http://www.lib.purdue.edu/libraries/engsci)

# NUCL 580

---

Required 3 cr. Course in NE Graduate program

Title: Essential Communication Skills For Nuclear Engineering

Co-instructed by Dr. Takashi Hibiki (NE) and Prof. Margaret Phillips (Purdue Libraries)

Next Offering – Spring 2018

Information-related topics include: Searching for NE related information, Avoiding Plagiarism, Citation Management, Patents, Technical Standards, Data Management, Managing Your Professional Identity, Copyright, & Government Information

# Helpful Links to Get You Started *Now*

---

- Purdue Libraries homepage: <https://www.lib.purdue.edu/>
  - Search for books, ebooks, and other materials
  - Access database A-Z list
  - Access online journals
  - Submit interlibrary loan requests

# Helpful Links to Get You Started *Now*

---

- Graduate Research Information Portal (GRIP):  
<http://guides.lib.purdue.edu/grip>

- Links to resources to help you as a Purdue graduate student

# Databases You May Find Useful

---

- Engineering Village (Compendex + Inspec)
- Scopus
- Web of Science
- Science Direct

To access:

Library homepage - Library databases – A-Z list (581 databases as of 8/4/17)

OR

<http://guides.lib.purdue.edu/nucliterature>

# Accessing Resources Off Campus

---

- Go through the Purdue Libraries pages – proxy server
- You will be prompted to enter your career account information

# Questions?

---

# Future Needs – Your Liaison
