

Purdue Pilots Inc. meeting

January 19, 2010. 7:00 PM. Physics 333

Attendance list is below. Please send corrections to Rick at westerman@purdue.edu

Our new president Peter Schumann opened the meeting with the usual question of “any new ratings?” To which our new PR officer Chinton Visharia replied that he had received his PPL. Congratulations!

We had several guests. Welcome! We hope that you will join us. Flying can be a lot of fun.

Financial report: Our new treasurer Grayson Steding reported that our balance is \$63,859.28 with reserves of \$18,190.00 (equipment), \$37,409.19 (engine) and \$17,335.00 (insurance) leaving us \$9,074.89 as a working balance. Grayson was accepting this semester's dues and by the end of the meeting he reported that we currently have 19 members. Since we had 42 members last semester we expect more people to sign up. See Grayson if you wish to sign up before the next meeting.

Maintenance report: Provisional maintenance officer Hannis Thompson reported that the Warrior had a new transponder. Also both planes had their 50-hour oil analysis done. '394 has a bit of extra silicone in the oil but nothing unusual. With 1800 hours on the engine and everything looking good we can probably get another 400 hours out of the engine. '862 is also in good shape.

Due to this being the first meeting of the semester we had no other presentations. An officers' meeting was held after the adjournment.

Next meeting is Wed., February 3, 7:00 PM, Phys 333.

All officers were present at the officers' meeting. Unfortunately Ryan McCrary is unable to be the maintenance officer for the upcoming year. We confirmed Hannis' provisional appointment as the MO for the year.

We discussed in length when and how to hold the call-out. We will hold the call-out next Wed and Thursday nights (Jan 27 & 28th) at 7:00. New vice-president Michael Reddy, Grayson and Chinton will lead this effort but could use help especially in putting up flyers around the campus. Expect some emails on this in the next week.
