

Purdue Pilots Inc. meeting  
February 3, 2010. 7:00 PM. Physics 111  
Attendance list is below. Please send corrections to Rick at [westerman@purdue.edu](mailto:westerman@purdue.edu)

Notes were taken by Chris Clifton and edited by Rick

President Peter Schumann presided. There were no new certificates/ratings and no new members.

## **Events**

ASOR will host the Fly-in Saturday, April 17. A P51 and T6 will be here with the possibility of giving rides in the T6.

Aviation Technology Student Council is having a photo contest. Submit your pix by March 12.

## **Treasurer's report by Grayson Steding**

3 new members from callout (total 25)

January numbers should be in at the end of the week.

Checking balance \$66,693

Equipment \$3320

Engine reserve \$37,409

Insurance reserve \$17,835

We have flown 368 hours this year

## **Maintenance report**

On Sunday 38394's electrical died. It turns out that the alternator died with no obvious indication. The alternator was replaced. It is worth having the Tower cell phone number (ask a member for it.)

## **FAR update**

[http://www.asa2fly.com/files/updates/AMT\\_Update2010.pdf](http://www.asa2fly.com/files/updates/AMT_Update2010.pdf)

The main difference is a clarification of flight into icing. The main change that affects us seems to be a restriction on flying IFR into forecast as well as known icing. If you are doing any IFR in the winter, check this out. (Comment from Chris Clifton: I did some further research. This is a Subpart F rule, and doesn't apply to us - but does give some guidance. We're bound by the "flight into known icing conditions prohibited" in the POH.)

## **Other**

Purdue Salvage has some planes for sale. There was a discussion on this. The general feeling was none of the available planes would be a good move for us, but we should watch the warrior fleet that Purdue should be selling soon.

**Next meeting** is Tuesday Feb 16, usual 7:00 PM in Physics 333.

PPI attendance list

Date: 2/3/2010

<u>    </u>	Shepson, Paul	<u>    </u>	Smidler, Derek
<u>    </u>	Beeby, Todd	<u>  X  </u>	Steding, Grayson
