

Purdue Pilots Inc. meeting
March 25, 2010. 7:00 PM. Physics 333
Attendance list is below. Please send corrections to Rick at westerman@purdue.edu
Notes were take by Chris Clifton

Michael Reddy presided since Peter Schuman had a conflicting exam.

New certificates/ratings

Congratulations to James Polivka on a new Instrument Rating

Events

April 17th 7am-Noon is Purdue Fly-in/Drive-in. Mike Reddy is looking for volunteers.

Treasurer's report

Treasurer (email report): Numbers for February 21.5+26, better than January, but still not good enough. We got several new members at the last callout. Checking balance \$53k. One new member: is Dan Marlin (Student Pilot)

Hobbs meter reading: We should be consistent on reading it (please round up).

Maintenance report

Maintenance (email from Grayson): Landing light issue on 38394, 100 hour on 31862 due end of April.

Video

We watched the rest of the Spaceship1 video.

Next meeting is Wednesday April 13 usual 7:00 PM in Physics 333.
