

Purdue Pilots Inc. Meeting Minutes

Gillian Morse called the meeting to order 18:30 Feb. 27, 2013

Presentation

CDR Mike Huff who is currently Purdue's Commanding Officer for the Naval ROTC

Background of career and Naval Aviation

Great Stories from flying P-3 nearly 2500 hours around the world

Secretary

Elections: nominees are Zach Quinn and Even Hanau

Zach Quinn was elected as new Secretary.

Treasurer Report

BOSO has possible issues with Lafayette Aviation's billing, the payments and credits are currently "on hold". Though this does not affect us.

New hourly rates for both planes are up at Lafayette Aviation.

Warrior Engine Update

Discussion:

If we make insurance payments by month we can have enough to cover the warrior's engine replacement.

Also discussed when to replace the engine. Possibly over spring break considering it will take roughly 5 business day for the job.

Archer Update

Slight problems with shimmy damper still. There might be issues with the weight and balance causing the problem. Lafayette Aviation's mechanic says problem is better than before. Be mindful when braking on ground. Squawk if any problems arise.
