

Purdue Pilots Inc. Meeting Minutes
Gillian Morse called the meeting to order 18:45 November
5, 2013

President's Report

Warrior's engine overhaul will be done over winter break. Costs are around \$22k for the new engine, if we are able to give our old engine to be refurbished. It's best to replace the engine sooner instead of taking the risk of keeping it longer and have it break.

Treasure's report

Submitted taxes. \$29k in reserves for engine replacements, which is more than enough for the Warrior overhaul.

Archer Update

The shimmy is still a hit or miss.

Upcoming Club Meeting

November 19 are officer elections! Come support your club and get a resume builder.
