

# Purdue Pilots Inc. Meeting Minutes

April 8, 2016

---

## Maintenance

Option to upgrade warrior

- Fix interior
- Make IFR capable with VOR, DME: may cost about \$5000

Archer GPS out of date. Will be updated in a few days

Cessna 150 in Tuscon, Arizona. Has not flown in about 5 years

- In pre-buy phase and inspection. Test flight at the airport.
- 0 hours since prop overhaul
- 50 hour engine

## Public Relations

Mail Nicoletta stories about being with the club. Could help with getting loan to buy Archer

## Treasurer

Contact Mary for reimbursements on fuel

## President

Potentially sell Archer very soon

- Subsidize Purdue Av plane rates for IFR training members. Checking legality

Fuel reimbursements will be based on fuel costs at Purdue Aviation

Cessna 150 may cost \$80-\$89/hour for members
