

Purdue Pilots Inc. 02/08/17 Meeting Minutes

TREASURY:

- We would like to order from papa johns, they give us a discount and can bill our BOSO account directly. This saves us money to spend on other flying related things!

PRESIDENT:

- Come to office hours if you cannot attend a meeting in order to keep from being grounded or to be ungrounded if grounded already.

-Belas office hours are Monday 9:30am- 11am

-Addisons are on Wednesday 9-11 am

-Emres are on Thursday 9-11am

- Addison is absent, Nicoletta is running the meeting today.

-Opened with ice breaker activities of aviation stories

EVENTS:

-First Dinner Flight will be on March 5th

-Cost will be 20 dollars per person plus food costs.

-Will be hosted by an officer. Pay us 2 weeks in advance and then we give you a coupon

PPI mentorship is going well! We have 12 mentees and mentors. Give Geoffrey feedback so he can make it better!

-In addition to flight jackets, we now also have quarter zips and polos. Pay us at the next meeting and then we can order them for you.

-PPI volunteering/ outreach? Edgelea elementary school, March 9th, STEM night.

-PPL Study Group will occur on Thursdays preliminarily (not IFR, PPL).

- Rooms and buildings TBD

ALUMNI/PR:

-We are still doing member spotlights! You will be featured by Geoffrey with a short bio and a lovely headshot photo

-Give Mariah stories for the newsletter! Our alumni always love to hear what the club is up to

-Like the facebook page

-Join Slack

-Fly our airplanes!

Maintenance

Engine starting 101: Since it is cold, treat the engines carefully.

-Prime 7-8 times, DO NOT PUMP Throttle. This is a fire hazard.

-Right after starting, do not drop the throttle to idle. Wait for it to warm up and then it will idle at 800.

-Keep trying to keep the planes clean. We have been doing good.

-11942 panel lights for night flights?

Next Meeting Feb 21st, Forney B124

-Adjourned 8PM
