## ALUMNI/PR:

We still need stories for our newsletters! Send them to Mariah

## Maintenance

-We are replacing the radio coax to fix tuckers (11942) radio problems. If that does not work, then we will probably go with replacing the radios.

-Also tucker was smoking? We are looking into that.

-3033T also has one radio right now. If an instrument is missing from our aircraft email the officers list or maintenance officer.

-DG in tucker is being replaced
