

Purdue Pilots Inc. 3/7/18 Meeting Minutes

Meeting started at 7:06PM

President (Nicoletta Fala):

- Let your instructor if you decide to fly within the 18-hour notice limit. Your instructor might be able to fly even without an 18-hour notice!
- Don't schedule the plane for an insane amount of time to only fly for 1 hour
- Make sure to cancel your reservations and let us know on slack if you decide to not fly!
- Since we are struggling with finances, bring more pilots to the club! There will be benefits for whoever can get people to join the club. We will bring flyers for members to hand out and leave on tables!
 - Another way to help the club out, fly more using our planes!!! There will be incentives to fly more. If there is any way that we can help you all fly more then let one of the officers know.

Vice President (Kate Fowee):

- Purdue Day of Giving: our goal is \$1000, last year we achieved a donation of \$600. If we are in the top 8 student organization, we get extra money! This is a very good way to get more money to use in our club.

Treasurer (Divya Bhargava and Sean Wan):

- In January, we lost almost \$4,000
- We need people to fly as much as possible to help the club!
- The biggest reason that we were at such a loss is because Tucker only flew half an hour during January because of maintenance issues

Maintenance (Tom Stehler and Kevyn Ezzo):

- 4347G's brake system is acting up. We are going to fix two of the master cylinders for \$900.
- 33T might have an issue with one of the brakes as well... We will look in to that!
- Keep taking care of our aircraft!!

Public Relations (Geoffrey Andrews):

- Newsletter will be finished over Spring Break! Send me cool things to put on it before Spring Break!
- Purdue Space Day @ Mayflower Mill Elementary (March 23rd)
- PPI @ Edgelea Elementary School (April 12th), we will be building rockets with kids!
- Purdue Aviation Day (April 14th)
- NASA NExT @ Lafayette Sunnyside Middle School (March 23rd), we are building a device that will repair holes in the International Space Station! Help us so we can save astronauts lives!!!!
- If anyone is interested in attending a career fair this Friday the 9th to tell kids what pilots are all about, let Nicoletta know!

Events (Adam Baker):

- Dinner flight is in the making. Muncie on April 8th has been decided. We will load up club planes with members and go eat! There will be a signup sheet coming around. The cost will be a fixed cost on top of paying for dinner! Sign up for a fun

Apparel (Kate Fowee):

-

Archivist (Kaitlyn Jones):

- Started going through archives, watch social media for throwback posts. They are extremely interesting!

Next Meeting Tuesday, March 20th in ARMS B071 at 7PM

Meeting adjourned at 8:11PM
