Treasurer (Divya Bhargava and Sean Wan):

- March went well in terms of finances!
- We flew a lot in our aircraft so keep it up. But treat our airplanes right so they stop breaking!
- We are in the green for the month of March!!! Big changes are occurring in PPI! Again, keep flying our planes so we can keep making money to upgrade airplanes!

Maintenance (Tom Stehler and Kevyn Ezzo):

- We will be looking for people to help wash the planes. They are getting extremely dirty and we want to make our planes shine!
- 47G did not cost very much in terms of maintenance in March; 33T was expensive, a good amount of routine maintenance and things getting fixed; 942 was cheap as well for maintenance, replaced the nose wheel dampener.
- Keep us updated if there are any issues with our aircraft that you noticed.
- 47G's ELT came in today so we will be replacing it tomorrow.

Public Relations (Geoffrey Andrews):

- Big thank you to everyone for helping during the previous events that we have participated in! You all did a great job with everything.
- Look out for an email about our email list for our alumni.
- If you have newsletter stuff please send it my way.

Events (Adam Baker):

- Pretty much finished with events until next fall.
- If people want to have an event this summer let me know. I only live about an hour away so I can come and we can meet up.
- Fall: a lot of fly ins, stay in touch to hear more about this.
