

Purdue Pilots Inc. 9/4/18 Meeting Minutes

Meeting started at 7:00PM

President (Nicoletta Fala):

- Purdue Aviation is not a part of PPI. Any questions you have or if you need to pay dues, make sure to find someone in PPI!
 - Email the officers list at piofficers@lists.purdue.edu
 - Remember that we are all students and our time is limited, so ask concise questions.
- Club rules our members need to know:
 - Read the bylaws
 - Sign a waiver each semester
 - Attend meetings (at least every other meeting) and let us know if you will be absent at a meeting
 - Fuel reimbursements are available if you need to buy fuel while flying a cross-country by emailing the receipt to piofficers@purdue.edu
 - You can reserve an aircraft for multiple days, fill out a cross country form and send it to the officer's email to have us approve the trip by at least 3 officers
 - Let others know when you cancel reservations on Slack (purduepilots.slack.com)
- Office hours will be on the second floor of Krach, we will send out our office hours calendar when it is finished so keep an eye out for this, so we won't be lonely during our office hours!
- Follow us on Facebook, Instagram, Twitter @purduepilotsinc and /purduepilots
