

Purdue Pilots Inc. 10/03/18 Meeting Minutes
Meeting Started at 7:02pm

President (Nicoletta Fala):

- Scaled Composites, an experimental aircraft company based in California, is looking for engineers/pilots. Applications for summer 2019 interns and full-time positions are up!
- Lunch with Scott Niswonger on November 5th 1:30pm (he owns A LOT of Purdue). Let the officers know if you are interested!

Maintenance (Tom Stehler and Kevyn Ezzo):

- 33T's Engine Overhaul- Divya will run numbers and we will vote on the two options below next meeting
 - Option A: Send the engine out to get overhauled ~6 weeks out on plane (~\$17,000)
 - Option B: Do an overhaul exchange. More expensive but faster. (~\$20,000)
- Update slack on engine performance of our planes (especially 33T)
- CO2 detectors to be put in each plane the week after Fall Break
- Connecting arm of door in 33T is disconnected and will be reported to Phil, remember to write issues up in plane so maintenance sees it

Alumni Relations (Geoffrey Andrews):
