

# Purdue Pilots Inc. 10/30/2018 Meeting Minutes

## Meeting started at 7:05PM

### President (Nicoletta Fala):

- Elections on Tuesday, November 27<sup>th</sup>, 2018
  - President, Vice President, Treasurer, Secretary, Alumni Relations, Public Relations
  - Run for a position!!! It is a great resume builder and a good way to learn about our flight club

### Treasurer (Divya Bhargava and Sean Wan):

- As always, bring dues to me if you are new or need to pay dues!

### Maintenance (Tom Stehler and Kevyn Ezzo):

- 47G was running rough and was grounded..... **IN A WARRIOR, CARB HEAT SHOULD NOT BE APPLIED UNLESS THERE IS EVIDENCE OF CARB HEAT (EVEN IN THE PATTERN/APPROACH)**
  - Carb heat with full power can cause detonation
- The vote that we had last meeting about overhauling the engine in 33T is now **INVALID!!!!!!** Plans to switch out the engine have proven to be impossible, so we will be overhauling the engine over winter break (hopefully)
- Be careful when using the push-to-talk button in 11942. We have been having issues with them coming unplugged, so pay attention and don't touch the wires!
- Carbon monoxide detectors have been installed in our aircraft

### Public Relations (Morgan Pietruch):

- Thank you for sending me photos. We finally have a decent number of pictures to post! Keep the pictures coming please.

### Alumni Relations (Geoffrey Andrews):

- I still have not received anything from members for our newsletter. Seriously, send me anything with a cool thing or two that you have done!
- If I don't have people send me stuff by next meeting, we will have time to sit down and write something for the newsletter during our next meeting!!!!
- Study group started last week. We will be having our next study group session tomorrow, October 30<sup>th</sup>, 2018 at 8PM

### Apparel (Kate Fowee):

- Apparel has been delivered other than jackets. Then I will be taking them to get embroidered! Keep your fingers crossed that your apparel will be ready by next meeting.
- Thanks to everyone who bought apparel!

**Next Meeting is Wednesday, November 14<sup>th</sup> at 7PM in ARMS 1010.**

**Meeting adjourned at 7:35PM**
