  - Selling Tucker:
    - There was only 2-3 members flying the plane spring semester, over the summer it has rarely flown.
    - Currently posted online, if you personally know someone interested in buying talk to Morgan.
    - Will keep everyone updated as we proceed.
    - Once Tucker is sold, would you prefer to buy a new A/C with the money/loan we get or save more money?
      - Considering few members flew 942, there may not be a big impact if we are down 1 A/C for a bit while saving money.
