

Purdue Pilots Inc. 11/20/2019 Meeting Minutes
Meeting Began at 7:06PM

Morgan:

- There are Approx. 92 Flying Members! Thank you for joining.
- N11942 is still on the market for sale, and we are still looking for a new aircraft to replace Tucker once it is sold
- We did have more plane washes than last fall-looking to have one more plane wash originally planned for this Sunday the 24th, however 47G will not be back by then. We will move this wash to dead week. Look out for the date and time.
- Please fill out this survey on improvements for the club.

-
- We will start handling our own scheduling for the Dream Flights instead of Purdue Aviation. More on this soon.
- Next semester office hours will be different.

Kevin:

- Apparel has been delivered for embroidery and I should be getting a call any day to pick it up!
- I will contact everyone who ordered & paid for apparel for their availability during dead week, and will host office hours to accommodate apparel pickup
