

2/19/2020

Meeting minutes

- Started with a kahoot
- Try to get volunteers for the career day
- Explaining our insurance policy, explaining why there was a raise
- Putting tucker back on the market.
  - Increasing rate on 942 to meet the average total cost per hour to operate
  - It wouldn't be much cheaper than the 152 that purdue avi operates but it doesn't charge taxes on it.
  - People are ok with raising it to 98 in order to break even until it is sold
- Safety officer election: Aston Huntsinger
- Review of committees
- Social Events!
  - Bowling and dinner won
  - Bar crawl is good for the people 21+
- Summer rate increase from 50 to 75
  - Bigger concern than we expected.
  - ARC taking a plane away from the club so 1 fewer plane to fly
  - Table discussion of increasing rates until ARC stuff is worked out and see how many hours were flown in the summer months despite 47 being gone for a month
- Fix dome lights in 47
