

- ~\$70k in account, will go down since we're behind in payments
- Apparel orders going on; more items to come
- 33T down for some time - prop strike
 - 476 brood strike
 - please report these kinds of issues
 - other issues discussed, including:
 - o 476 loose carpets
 - o struck seat rails (junk gets stuck, may replace rails soon)
- Join membership program
- Post picture
- Upcoming events
 - Next meeting: LILY 1105 8pm Wed. Oct 20 8pm
- Guest Speaker: Stacie Townsend
 - Textron Aviation recruiter
 - "Why I'm here"
 - o Went to roundtable, have gone for several years, only one from aviation
 - o This year, talked to 37 (over 1k previously), wanted to talk to more
 - Purdue RAET graduate ~21 years ago
 - Has instrument rating; MBA from Baker
 - Groups of many, nearly all, categories recruiting
 - 20 aircraft in production, > 250k aircraft manufactured
 - Defense: T-6 (certified); Scorpion & AT-6 (certification in progress)
 - Donati aircraft: GE just test-flow its engine
 - Many manufacturing locations across the US
 - Many service centers across the world

- 7250k customers in >70 countries
- Recruiting for engineering, sales & marketing, defense, manufacturing, etc.
 - o Other options arise from aviation within Textron!
 - Arctic Cat
 - Bell
 - Corporate etc.
- Employee resource groups (ERGs)
 - o Like clubs
 - o Space to meet individuals with similar interests
 - o Several diverse groups
 - o Learn more online
 - o "Like a family there"
- stownsend@textron.com
- Questions:
 - o Do you still fly today, and if so, what?
 - Yes, the Bonanza
 - Low wing → high wing difficult transition
- What drew you to work at Textron? (tired 172)
 - o Member of Women in Aviation International, ^{at Purdue} went to their event in 2000 & met a Raytheon recruiter
 - o Had offers at AAL & Raytheon, took Raytheon job
(Raytheon is related to Textron)
- Hire ~300 interns every year, ~75 go to engineering (diverse options)
- Does Textron hire international students?
 - o Yes, but it is case-by-case. Mostly if a position is difficult to fill.
- Sales options? Is there flying in it?
 - o Many sales options. Demo group for flying jobs.
- Flying jobs:
 - o Production test pilots put first ~570 hours on planes before customers get them
 - o Experimental test pilots fly aircraft seeking certification
 - o Demonstration pilots fly with customers

- Textron International?
 - Service centers, you could work there
 - Service centers all over, have sales groups nearby
- Textron will pay:
 - $\frac{1}{2}$ PPL
 - "Not quite $\frac{1}{2}$ " of other ratings
 - higher ratings = less portion paid by Textron
 - Reimburse up to Wichita State schools for advanced degrees
- How much does an AMP help engineers?
 - A lot, both in recruiting & practice

PPI All Member Meeting

10/05/2021

President's Report

- Any guests in the room?
- We are now 70 members strong!
- 33T prop strike - propeller currently in the shop
- Tucker sale complete. New owner will collect the plane when weather improves
- Record attendance on Boilerlink (qr-code in a few slides)
- Elections at the end of the semester, start thinking about running!
- Any new ratings, solos, or recent fun flying?

Vice President's Report

- Apparel orders!
 - <https://forms.gle/ptnsq6Ke54Y1wk4P8>
 - All orders will be picked up on campus this year
 - More items to come in a second form soon:
 - Masks
 - T-Shirts

Treasurer Report

Engine Reserve: \$5,547.97

Current Balance: \$67,015.26

Checks to pay to Purdue Aviation for summer
mx/hangar.

Secretary Report

- Meeting Minutes
- Attendance
 - Raise your hand if you can't access Boilerlink

Maintenance Report

- **N3033T** Maintenance Updates
 - Avionics upgrade scheduled Nov 15th
 - Prop Strike :(
 - Plan for a long down time
- **N4347G**
 - New front seats or seat covers (WIP)

Public Relations Report

- Post pictures in the discord for me to post to our socials!
- Fill out the form to join the mentorship program!

Upcoming Events

Date	Time	Event
Oct 20th, 2021	8:00 pm	Meeting: Speaker Nithin R. (LILY 1105)
Nov 2nd, 2021	7:00 pm	Meeting: Speaker Benjamin D. (ARMS 1010)
Nov 17th, 2021	8:00 pm	Meeting: Speaker TBD
TBD	TBD	Potential plane wash/flyout event
