The Purdue Society of Professional Engineers (PSPE), Tau Beta Pi (TBP), and PESC presents...

Research

Roundtable

Pre-Event Banquet

Need to jumpstart your future in RESEARCH? Attend the Research Roundtable Pre-Event Banquet & Research Roundtable! The event is designed to give students the chance to observe several research groups as they provide insight and details about their research opportunities.

Schedule
6:00PM --> Introduction/ Food
6:05PM --> nanoHUB.org
6:15PM --> International Center for BioMetric Research
6:25PM --> Undergraduate Presentations
6:35PM --> International Center for BioMetric Research
6:45PM --> INSPIRE Engineering
6:55PM - End --> Q&A Session

Date/Time: Nov 9 @ 6-7 pm
Location: ME1130

- **nanoHUB** - Use nanotechnology to create simulation tools
- **International Center for BioMetric Reseach** - Use biometrics to work on the entropy of fingerprints
- **INSPIRE Research Institute for Pre-College Engineering** - Develop engineering education programs
