

# The CASC IFW Database

We, \_\_\_\_\_ would like to access the CASC IFW Database.

We understand that we can use this database for research purposes only in the department \_\_\_\_\_ of \_\_\_\_\_ at \_\_\_\_\_.

We also understand that:

1. We are NOT permitted to copy or distribute this database to any third party.
2. We are NOT permitted to publish or post this database in any printed or electronic form, such as websites or journals.
3. It is illegal to sell or profit from this database. The database can NOT be used in the development of any commercial products.
4. Presentations and Publications based on results obtained with this database must include a proper citation.
5. The undersigning will also send any technical report, dissertation or scientific paper that includes the use of this database to our address at Purdue University.

By signing this document, we agree to the terms and conditions specified above and in the Purdue IRB documents related to the creation of this database and assume full responsibility for any lawsuit or misuse that might be caused by us individually or collectively.
