

S&ME SPARK INTERNSHIP PROGRAM

Contact: campusrecruiting@smeinc.com

ABOUT S&ME

S&ME is an employee-owned firm with expertise in **geotechnical engineering**, **civil engineering**, **environmental sciences**, and **construction services**. Since 1973, our collaborative approach offers innovative solutions to our client's most complex challenges. With 30+ offices across 10 states, S&ME fosters development and growth in an environment where our 1,100+ employee-owners can be their best.

INTERNSHIP PROGRAM

As an S&ME Spark Intern, you will receive:

- Learning Objectives to help guide you throughout your experience
- Hands-on experience that allows you to contribute meaningfully to real projects
- Professional development training that will equip you to successfully transition from campus to career
- Valuable skills that will set you up for a successful career
- Collaboration with a group of interns to create a network of peers
- Mentorship and guidance from junior to senior-level employee-owners who are committed to helping you succeed

"I have experienced an equal mix of technical work in the field as well as mentorship in the office. I've been fully immersed in once in a lifetime projects."

Peyton Smith
Former Spark Intern
