

Review Form: Watershed Inventory Tool for Indiana

By Alyson Faulkenburg and Jane Frankenberger

Please answer the following questions on this sheet or in the publication itself. Any additional comments are of course welcome.

1. Are the right topics covered?

Yes

No, I suggest the following changes. (Please put an X by topics that should be eliminated, and add your suggestions for topics that need to be added below)

Current Topics

Determining Your Watershed

Assessment 1: Streams and Ditches

Assessment 2: Wetlands

Assessment 3: Land Use Overview

Assessment 4: Residential and Urban

Assessment 5: Regulated Pollutant Sources

Assessment 6: Agriculture

Assessment 7: Forest

Assessment 8: Mining

Additional Topics to Add:

2. Suggestions on specific assessments

Please feel free to answer any or all of the following. We understand that the inventory is long, and most people will not want to read through it all in depth. We have provided the following table to make it easier for you to organize any suggestions you may have.

Assessment 1: Streams and Ditches

<i>Tier 1</i>	<i>Technically correct?</i>	<i>Clear and easy to use?</i>	<i>Asks the right questions?</i>	<i>Other comments</i>
Stream Locations				
Legal Drains				
Impaired Streams				
Fish Consumption Advisory				
Beach Closings				

Other Monitoring Information				
<i>Tier 2</i>				
Stream Observations				

Explain any comments above, or list others:

Assessment 2: Wetlands

<i>Tier 1</i>	<i>Technically correct?</i>	<i>Clear and easy to use?</i>	<i>Asks the right questions?</i>	<i>Other comments</i>
Wetland Locations				
<i>Tier 2</i>				
Wetland Observations				

Explain any comments above, or list others:

Assessment 3: Land Use Overview

<i>Tier 1</i>	<i>Technically correct?</i>	<i>Clear and easy to use?</i>	<i>Asks the right questions?</i>	<i>Other comments</i>
Actual Land Uses				
<i>Tier 2</i>				
Zoned Land Uses				

Explain any comments above, or list others:

Assessment 4: Residential and Urban

<i>Tier 1</i>	<i>Technically correct?</i>	<i>Clear and easy to use?</i>	<i>Asks the right questions?</i>	<i>Other comments</i>
Impervious Areas				
<i>Tier 2</i>				
Subdivisions and Other Residential Areas				
Construction Sites				
Large Impervious Areas				
Golf Courses and other Grass (Turf) Areas				

Assessment 5: Regulated Pollutant Sources

<i>Tier 1</i>	<i>Technically correct?</i>	<i>Clear and easy to use?</i>	<i>Asks the right questions?</i>	<i>Other comments</i>
NPDES				
Superfund				
Landfills				
Combined Sewer Overflows				
Golf Courses and other Grass (Turf) Areas				
<i>Tier 2</i>				
Unpermitted or Unknown Pipes				

Explain any comments above, or list others:

Assessment 6: Agriculture

<i>Tier 1</i>	<i>Technically correct?</i>	<i>Clear and easy to use?</i>	<i>Asks the right questions?</i>	<i>Other comments</i>
Pesticides Applied in the Watershed				
Fertilizers Applied in the Watershed				
Livestock Numbers				
Amount of Manure and Nutrients				
Watershed Projects or Other Conservation Programs				
Tillage Practices				
Information from Soil Surveys				
<i>Tier 2</i>				
Windshield Survey				
Cropland Management				
Pasture				
Other Uses				
Stream				

Explain any comments above, or list others:

Assessment 7: Forest

<i>Tier 1</i>	<i>Technically correct?</i>	<i>Clear and easy to use?</i>	<i>Asks the right questions?</i>	<i>Other comments</i>

Explain any comments above, or list others:

Assessment 8: Mining

<i>Tier 1</i>	<i>Technically correct?</i>	<i>Clear and easy to use?</i>	<i>Asks the right questions?</i>	<i>Other comments</i>
Active Mines				
Abandoned and Unreclaimed Mines				
Reclaimed Mines				
<i>Tier 2</i>				
Observations				

Explain any comments above, or list others:
