Tell us your thoughts on pumpkins?!

Do you like pumpkin pie, pumpkin spice lattes, or carving them?

Marisol Herrera-Perez

BIND 119 • Malaga, Colombia • 4th Year Ph.D.

“Pumpkins!!!! I love them because I associate them with fall (cool weather) and Halloween, although they also remind me that another year in grad school just started (and make me conscious of all the things I planned to do in summer and I did not). I prefer them above all in pies, but pumpkin spice lattes are also good (like all lattes).”

Qingyu Feng

ABE 304 • Henan, China • 5th Year Ph.D.

“Pumpkin is not a common fruit in my hometown. We do have some pumpkin pies, which will have some carving on the surface like the Chinese word “fu” meaning for fortune. If I have to choose a way to consume pumpkins, I would like to have some pumpkin spice lattes from Starbucks!”

Ning Xiang

NLSN 2251 • China • 2nd Year Ph.D.

“I would like to introduce my favorite dessert: deep-fried pumpkin pancake. It is a famous and common Chinese dessert and taste crispy on the outside and soft on the inside. If you go to a Chinese restaurant, try this dessert and you won't regret.”
