Symposium Highlights

Congratulations to David Orrego, Poster Competition Winner! Congrats are also in order to Jingqiu Chen (2nd) and Andi Hodaj (3rd). All 54 posters were outstanding!

Full house for the lunch with Plenary Speaker Dr. Sabine Brunswicker, Director of the Center for Open Digital Innovation at Purdue.

Keynote Speaker Nick Gray, Director of Strategic Projects at Dow AgroSciences. In his presentation on Ingredients for Innovation – the symposium theme – he talked about the importance of closing all of the Excel tabs open in your brain so that you can have the “ah ha” moment.

Wow, what a good looking Symposium Planning Committee!
