Zack Horn

Tell us about yourself. Where are you from, what are you studying, and what is your favorite book/movie?

My name is Zackariah Horn, but better known to most as Zack. I'm a Master's student from Crawfordsville, Indiana, studying Agricultural Engineering, with a focus in Machine Systems. I'm trying to think the last time I've read a book recreationally... however my favorite movie is *Titanic*. I think it's a tragic, but truly fascinating part of history. An intriguing engineering feat, engineering defeat (it sank, spoiler alert), and a love story combined in one movie. Feel free to stop by my desk and say hey or test your Titanic trivia with me!

ABE-GSA Officer Spotlight

Sarah Daly

Position: President

Sarah joined Purdue in August 2016. She works with Dr. Jiqin Ni on the recovery of renewable energy from waste materials. She grew up in the suburbs of Cleveland, Ohio. As President, she works with the other members of the board to address the concerns of all the graduate students in the ABE department. Sarah is responsible for the development and execution of various social, professional, and recruitment events lead by specific chairs on the board. She serves as an ABE representative for the College of Engineering Graduate Student Advisory Council.
