Job Hunting Skills for International Students

Wednesday, August 8, 2018

11am -12pm in Lilly 3418

Free food!

Dr. Anagha works as a Career Consultant leading the international students initiative at Purdue's Center for Career Opportunities. In 2015, Dr. Anagha was awarded the Bristol Who's Who Honor for Distinguished Executives and Professionals. With her unique experiences guiding students from all around the world, she will discuss the job search process, pros and cons of different job search strategies, informational interviewing, and how to market your degree.
