

Kasra Derakhshandeh

Graduate Student
Purdue University

Co-supervised with Somali Chaterji

Name: Kasra Derakhshandeh

Project: ML in IoT systems

Best Team in Sports: I am more into Tennis, and Novak Djokovic and Carlos Alcaraz are my favorites.

Favorite Vacation Spot: Majorca in Spain! I love beautiful islands with amazing nature.

Favorite Quote: Nothing is impossible, the word itself says 'I'm possible!' - Audrey Hepburn

Music that I work to: Pop.

About me:

I am a Computer Engineering graduate student at Purdue University. When I'm not working, I enjoy playing and watching tennis, listening to music and podcasts, and swimming.
