

## INTERVIEW SERIES

**COVID-19  
VACCINE DEVELOPMENT  
AT PFIZER**

NOVEMBER 2, 2021 | 6:30 PM EDT  
**VIRTUAL | FREE | OPEN TO THE PUBLIC**

**DR. MARGARET FRAZER**

Dr. Margaret L. Frazer is a Senior Vaccines Medical Director at Pfizer for over 20 years. She has a research background in neuroimmunopathological diseases including Alzheimer's disease and multiple sclerosis. She launched and organizes the Central Indiana Neuropathy Support Group and is on the board of directors of Indiana Multiple Sclerosis Foundation. Dr. Frazer graduated from Purdue University and Indiana University School of Medicine, completed an internal medicine internship at University of Iowa and a neurology residency at Indiana University. She currently works in the vaccine research and medical affairs for Pfizer.

In this event, Dr. Frazer will be interviewed by Dr. Kuhn on the COVID-19 vaccine development and vaccination trends. She will also talk about her career path as a well-established woman scientist, balancing work and family along the way.

WOMEN IN SCIENCE
