

INDIANA CTSI POSTDOC CHALLENGE

\$5,000 for postdoctoral researchers

PURDUE POSTDOCS

The Indiana CTSI Postdoc Challenge offers postdoctoral researchers the opportunity to apply for a \$5,000 grant to use core facilities. Applicants will gain effective *proposal writing and reviewing* experience in areas related to translational research through the use of one or more CTSI-Designated Core Facilities. Postdoctoral Researchers Associates from Indiana University, Indiana University School of Medicine, Purdue University and the University of Notre Dame are eligible to apply.
