Corporate and Foundation Relations (CFR)

Drew Weintraut, Senior Director of Foundation Relations Eric Woods, Senior Director of Corporate Relations

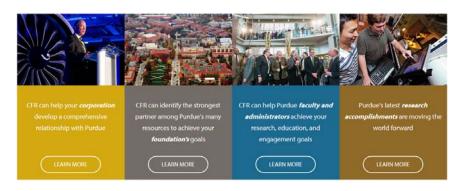

Office of Corporate & Foundation Relations

Our mission is to facilitate holistic and sustainable engagements with corporations and foundations, expanding Purdue's impact as a global university and advancing opportunities for our partners throughout Indiana and the world.

"We are here to help!"

Office of Corporate & Foundation Relations

Foundation Relations

Foundations

- Commonly thought of as charitable
- Set up to give away money to other nonprofits
- Mainly private foundations (funds from one source, i.e., individual, family, or corporate)
- Some community foundations (public, local, unrelated donors)

Foundations

- Typically support:
 - Research
 - o Programs
 - Seed money
- Typically do not support:
 - Capital projects
 - Endowments
 - Ongoing operations
 - Lobbying

Foundations vs. Federal Grants

- Require different strategies for different products
- Different writing styles, wide variety of formatting
- Varying scope, scale, deadlines, opportunities
- Focus on Outcomes/Deliverables vs. Methods
- Companies and Foundations
 - Develop relationships that span decades
 - Collaboration is extremely emphasized

Working with Foundations

- Clearly defined areas of interest
- Impact for specific regions
- Strict guidelines
- Concrete deadlines and proposal cycles
- Respond to anticipated outcomes and storytelling narratives vs. data
- Many RFPs/proposals by invitation only

Communicating with Foundations

Contact us to help you with:

- Letters of Inquiry (LOIs)
- Applications (full proposal submittals)
- Reporting/Stewardship
- Writing or submitting proposals
- Documentation (financial reports, W-9s, etc.)
- Invitations to Campus (rare)

"We are here to help!"

Remember...

Foundations exist...

to give away money to help society.

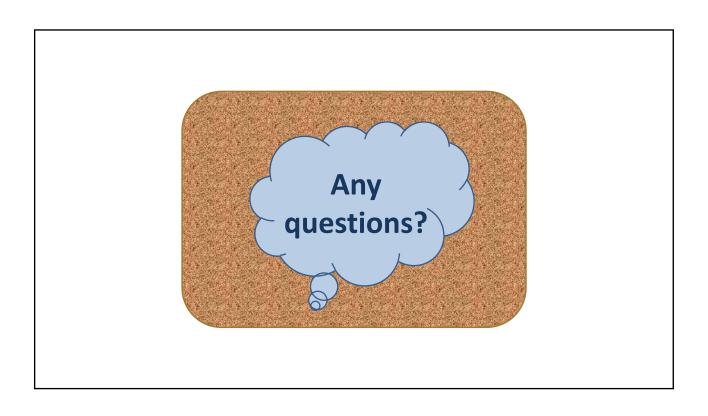

If you have a project that fits with a foundation's guidelines,

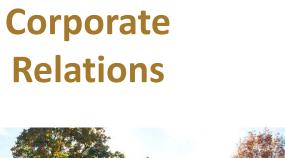

You are helping them achieve their mission.

But ...!

- Everyone else knows this, as well!
 It is a highly competitive environment.
- Let us help you write the strongest proposal possible.
- Don't hesitate to contact our office.

~We are here to help!~

Corporate Relations

- Goal is to build comprehensive, long-lasting relationships with companies
- We promote Purdue's needs and goals while matching the company's focus areas and justifying the return on investment
- It is a team effort across campus
- We are here to help!

Keep in Mind ...

- Corporations are in business to make noney
- Stockholders, creditors, and employers demand ROI and require corporations to prove it
- Corporate for pdations tend to follow a business model versul a philanthropic one
- We <u>must</u> show value/benefits for them to invest

Why Companies Give to Purdue

- Recruiting students
 - o Internships
 - Diversity
 - Scholarships, fellowships
 - o Retention STEM pipeline of future employees
- Research (faculty/grad students, SPS contracts, gifts)
 - o Purdue state-of-the-art facilities and labs
 - Purdue reputation
- Advisory Boards, Centers, Consortia
- Alumni in executive or senior positions
- Public Relations/Branding
- Impact to Curriculum
- Other miscellaneous engagement points

Proposals & Stewardship

- For larger companies, we compile campus-wide inputs into one overall proposal or impact report
- We ask you to provide for your area(s):
 - o Program descriptions and narratives
 - o Budgets to show how funds will be/were spent
 - o Follow up with program managers and faculty
 - Stats on student impact

We can ...

- Identify which companies are good prospects
- Make connections with appropriate personnel
- Get industry representatives involved
- Provide you with networking opportunities, current data about the company, and information about the company's historical relationship with Purdue
- Organize conference calls, meetings, tours and campus visits with executives and decision-makers

We can ...

- Use the team approach to communicate and build lasting relationships with the company
- Assist with writing proposals, gift agreements, and letters
- Get documentation to meet criteria (i.e., financial reports, W-9s, IRS certifications)
- Process Gifts-in-Kind (GIKs)
- Facilitate reporting on gifts and grants

Remember...

- Companies and foundations <u>seek partners</u> who share their goals and values
- <u>Cultivation</u> of companies and foundations is essential and involves faculty, staff, students, and administrators from all across campus <u>TEAM</u> – <u>Together Everyone Achieves More!</u>
- As the relationships broaden and deepen, more engagement opportunities and more investment arise

Thank you !!!

Initial Notification, Budget Request

Get Started Early

- A completed proposal worksheet <u>should</u> be submitted fifteen (15) business days prior to the proposal deadline along with the initial budget request as specified in the table above.
- The proposal worksheet serves as notification of the intent to submit the proposal and communicates key information related to the submission https://www.purdue.edu/sps/proposalworksheet/
- Earlier notification is highly encouraged.
- If the proposal requires cost sharing please also contact the appropriate Department Head/ADR to initiate discussions.

45

Proposal Process

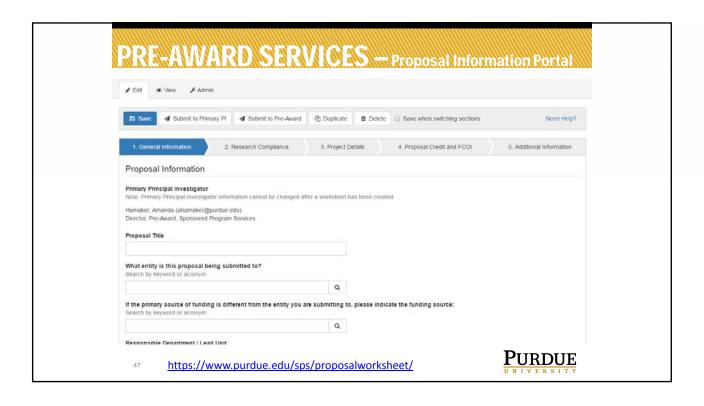

First Step - Proposal Worksheet

- PI completes the proposal worksheet in the Proposal Information Portal
- Addresses key information needed to develop the proposal
- Answers questions related to compliance (human subjects, animals, export control, etc)
- Kicks off the Financial Conflict of Interest (FCOI) process – identifies investigators

46

PURDUE

Next Step - PI & Pre-Award will Review RFP

- · Check for eligibility, limits for submission
- Review for special terms and conditions
- Identify possible management concerns
- Review for deadline, submission method
- · Identify required documents, page limits
- Identify budget considerations
 - Minimums/maximums
 - Unallowable costs
 - Required budget items
 - Cost Share Requirement
 - F&A Restrictions

Budget Considerations (PI & Pre-Award)

- Proposal must be properly costed:
 - Proposed budget should be sufficient to carry out all program deliverables
 - Ensure consistent proposal budgeting
- Include college/department required budget items (AY salary, grad rates, etc)
- Ensure appropriate calculation of summer salary, grad fee remissions, NIH salary cap, subcontracts
- Cost Sharing
- Identify the proper F&A rate

49

PURDUE

PURDUE

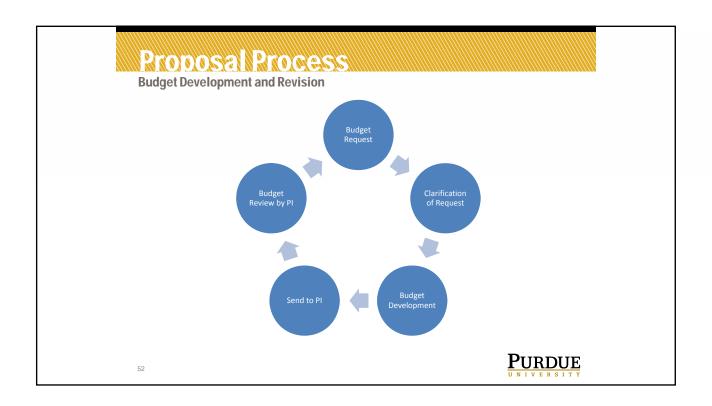

Proposal Process

Facilities & Administration (F&A)

- West Lafayette F&A Rates
 - Research = 55%
 - Other Sponsored Programs (OSP) = 38%
 - Off Campus = 26%
 - Applied Research (Special Intellectual Property Terms) = 64.75%
- Other terms used to describe F&A
 - Indirect Costs, IDC, or overhead
- Criteria for off campus rate:
 - Activity necessitates an off campus location, is for a full semester or summer session, and in a project leased space

Facilities & Administration (F&A)

- When will Purdue accept limitations on F&A?
 - Accepted when limited in published guidelines by Notfor-Profits and Foundations
 - Mission/goals of these types of organizations are to benefit the public well being as a whole
 - Industrial proposals less than or equal to \$10K*
 - *When considered seed funding
- Why can't Purdue accept limitation on F&A for For-profit entities?
 - F&A costs are REAL costs to the University
- If granted, PU would be subsidizing a For-Profit entity

PURDUE

COST SHARING

Cost Share Basics

- Cost Share or match means the amount the university or a third party commits as part of the overall project costs
- · Can be required by sponsor or not required
- PI is responsible for identifying sources to meet the cost share commitment (EVPRP assistance may be available)
- Pre-Award will help prepare the commitment documentation

Budget Justification

- PI is responsible for writing the budget justification
 - Explain why each budget item is necessary to complete the work proposed
- Pre-Award Support/Review:
 - Provide a template if requested
 - Verify all information is correct
 - Ensure adequate justification included for all budget items such as equipment, foreign travel, participant support costs, conferences, etc.
 - Ensure cost share has not been included unless approved and documented
 PURDUE

55

Proposal Process

Complete Sponsor Forms – Pre-Award Support

- Pre-Award will finalize the sponsor submission forms
 - Input all administrative information
 - Create the sponsor budget pages
 - Collect all required documents (bio-sketches, support letters, tax documents, etc.)
 - Prepare Current & Pending reports for investigator review and approval
 - Review all provided documents for administrative compliance with the proposal requirements (page limits, specific titling, section headings, etc.)
 PURDUE

Final Step-Obtain All Approvals (Pre-Award)

- Work with contracting office for terms and conditions if applicable
- · Assure all regulatory requirements are identified
- · Review for export control applicability
- Secure academic approvals for the proposal
- Provide institutional approval
- SUBMIT PROPOSAL**

**certain individuals in Pre-Award have been delegated the authority to submit proposals on behalf of the University
