

BIG 10 Neuroscience Seminar Series

Monday, November 18, 2024 at 9amPST/12pmEST

Virtual on Zoom: <https://psu.zoom.us/j/8078942764>

Dynamical connectivity motifs in the spinal locomotor circuit

James M Murray
Assistant Professor
Institute of Neuroscience, University of Oregon

The olfactory bulb tracks breathing rhythms and place in freely behaving mice

Matt Smear
Associate Professor
Institute of Neuroscience, University of Oregon
