Digital Scholarship: Building Your Online Digital Scholarly Presence

With Sorin Matei, Associate Dean of Graduate Research and Education, College of Liberal Arts & Professor of Communication

The Center for the Environment and the College of Liberal Arts invite you to this informal discussion that will focus on professional perspectives on the benefits and challenges of creating and maintaining your online presence via lab or research group websites, academia.edu, ResearchGate, digital identifiers (orcid id), and other online spaces that expand the reach and visibility of you and your research.

Tuesday, 3/10

12:00-1:30 PM

Marriot 237

Lunch provided
