

Call for Posters

2020 Purdue Autism Research Center Conference
April 24, 2020 | Purdue University

The Purdue Autism Research Conference announces its call for poster presentations for the 2020 conference, to be held April 24th at the Purdue University Stewart Center. The conference will include a series of keynote and symposia sessions by researchers in diverse fields related to autism, ranging from basic to applied sciences. Featured keynote speakers will be Dr. Helen Tager-Flusberg, an expert in language and social-cognitive development in autism and the director of the Autism Center for Excellence at Boston University and Dr. Karen Pierce an expert in early screening and detection of autism and co-director of the University of California, San Diego Autism Center of Excellence. The conference is open to researchers, students, and community members at and beyond Purdue University. Poster submission portals will open December 1, 2020. Posters will be presented during a reception at the conclusion of the conference (5 – 7pm). Cash prizes will be awarded to the top three posters (\$200, \$100, \$50).

Instructions: Abstracts should be no more than 500 words and include the following sections: Introduction, Objectives, Methods, Results, and Discussion. References, authors, and title are not included in the word count. **Abstracts must be uploaded at https://purdue.ca1.qualtrics.com/jfe/form/SV_1HP0gUxTgbzMdQV by 11:59PM EST on February 14, 2020.** In addition to the abstract, submitters must provide names, affiliations, and e-mail addresses of all co-authors. Accepted presenters will be notified by March 2, 2020.

Registration: Conference registration is \$20 for students and \$40 for all other attendees.

For questions regarding poster submissions, please contact Dr. Mandy Rispoli at mrисpoli@purdue.edu.
