

**PURDUE**  
UNIVERSITY®

Rosen Center for  
Advanced Computing

# Cyberinfrastructure Symposium

## Poster Session Call-out: *Solving science with computation*

**Poster Topic:** Solving science with computation!

**Participation eligibility:** Posters authored or co-authored by undergraduate or graduate students, faculty, and staff.

**Awards:** Best poster will receive one free registration to an ACM/IEEE conference of their choice!

**Parameters:** Posters must be 36" wide by 44" long or smaller. Posters may be vertically or horizontally oriented, but the width must be less than 36". More information about wide printing at Purdue can be found here:  
<https://www.itap.purdue.edu/facilities/instructionallabs/printing/>

**Poster presentation date:** Tuesday, October 4th, from 4 - 5:30 pm in Stewart 214 to learn how advanced computing has impacted science and discovery Purdue. Presentations will take place at the times mentioned above; however, posters will be available to view throughout the day.

Make sure you use the QR code or use the link below to complete the survey and ensure your spot in this event! Once we receive your submission you will be sent a follow up email with additional details for the event. Submissions are due no later than Wednesday, September 28th.
