## An invitation for Purdue Faculty

**HHS and PI4D are working together to advance research innovation at Purdue University!**

## **Join HHS and PI4D for a Wine and Cheese Reception**

**Monday, November 25, 2019  
3P-5P (remarks @ 3:00P)  
Marriot Hall Atrium**

Network with researchers from the College of Health and Human Sciences (HHS) and the Purdue Institute of Inflammation, Immunology and Infectious Disease (PI4D). Learn about the Advanced Detection Technologies initiative, a new, internal grant mechanism, co-funded by HHS and PI4D for collaborative teams led by HHS faculty. Hear remarks from HHS Dean, Marion K. Underwood, and PI4D Director, Richard J. Kuhn, about the PI4D and HHS partnership.

There is no cost to attend, but registration is required.
