

National Institute of Health (NIH-F31) Fellowship Workshop

1/29/2020 12:30 - 1:30 PM
LILY 2102

1/30/2020 7:00 - 8:00 PM
ONLINE WEBINAR

- NIH F31 fellowships are awarded to graduate students in the first few years of a PhD program who wish to become research scientists.
- This information session will provide a writing strategy for research plans.
- Advice will be given about preparing the other required documentation.
- US citizenship is required for applicants to the F31 award.
