

NIH F32/K99 FELLOWSHIP INFO SESSION FOR POSTDOCS & GRADUATE STUDENTS

WORKSHOP

LILY 2102
Wednesday, January 22
12:30 pm - 1:30 pm

WEBINAR

ONLINE
Thursday, January 23
7:00 pm - 8:00 pm

Both experienced graduate students and postdocs in the life sciences, medical sciences, and related subjects are encouraged to attend. This information session will provide a writing strategy for research plans as well as advise about preparing the other required documentation.

The F32 fellowship and the career-focused K99, will be covered. K-awards do not require US citizenship.
