

BMS SPECIAL SEMINAR

Yulan Xiong, Ph.D.

Assistant Professor

**Kansas State University
Manhattan, KS**

Wednesday, March 11, 2020

9:00 a.m.

CRTN, Room 1042

*“Molecular underpinnings of Parkinson’s disease:
a path to new therapies”*

**Immediately following the seminar, Dr. Xiong will give
a “chalk talk” on her future research plans.**

Dr. Xiong is a candidate for the BMS neuroscience tenure-track faculty position.
