SDI INNOVATIONS SOLUTIONS FOR EDUCATION COMPETITION

We are proud to introduce the 1st annual SDI Innovations – Solutions for Education Competition – and you can be part of it!

The competition will reward business and product pitches from entrepreneurs around the Midwest to showcase their ideas for solutions in the education market. Ideas will range from early ideation pitches to finished products ready to launch. Some will be tech, some will be old-school, they *all* will be new and innovative.

#### WHO CAN ENTER?

Anyone with a passion for entrepreneurship & education. View rules, guidelines, and more information at [pitchedu.com](http://pitchedu.com).

#### WHY?

A cash prize pool of **\$6,500** – plus gift in kind prizes! Additionally, an opportunity to partner with investors with established relationships and resources in education.
